2. A member of the Company entitled to attend and vote at the Meeting is entitled to appoint one or more proxies to attend and on a show of hands or a poll, vote in his/her stead. A proxy need not be a member of the Company. You can only appoint a proxy using the procedures set out in these notes and the notes to the proxy form.
3. A member of the Company may appoint more than one proxy provided each proxy is appointed to exercise rights attached to different shares. A member is not entitled to appoint more than one proxy to exercise rights attached to the same share. Please contact the Company's Registrar at Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol, BS99 6ZY if you wish to appoint more than one proxy.
4. A proxy form for use in connection with the Meeting accompanies this report and accounts. Additional copies may be obtained from the registered office. The proxy form and any power of attorney under which it is signed must be lodged at the address printed on the proxy form not less than 48 hours before the time appointed for holding the Meeting. The fact that members may have completed forms of proxy will not prevent them from attending and voting at the Meeting should they afterwards decide to do so.
5. Alternatively, if you are a member of CREST, you may register the appointment of a proxy by using the CREST electronic proxy appointment service.

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Annual General Meeting and any adjournment(s) thereof by using the procedures described in the CREST Manual (available via <https://www.euroclear.com/about/en/business/Keylegaldocuments.html>). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "**CREST Proxy Instruction**") must be properly authenticated in accordance with Euroclear UK and International Limited's ("**Euroclear**") specifications and must contain the information required for such instructions, as described in the CREST Manual.

The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the Company's agent (Computershare) by the latest time(s) for receipt of proxy appointments specified above. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Applications Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

6. In the case of joint holders, where more than one of the joint-holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first named being the most senior).
